Go to EVANS webpage -> MEP's for annual HIPAA training: Click on HIPAA or use website: http://www.hipaatraining.tricare.osd.mil/

Evans's Domain is 0032

Antiterrorism Training: https://atlevel1.dtic.mil/at/

Medical Library News

April - June 2006

Alt HealthWatch (tm)

This database focuses on the many perspectives of complementary, holistic and integrated approaches to health care and wellness. It offers libraries an immediate resource of full text articles, from 180 international, and often peer-reviewed journals, reports, proceedings and association & consumer newsletters. In addition, there are hundreds of pamphlets, booklets, special reports, original research and book excerpts. Full text titles include *American Journal of Chinese Medicine, American Journal of Homeopathic Medicine, California Journal of Oriental Medicine, European Journal of Clinical Hypnosis, International Journal of Medicinal Mushrooms, Journal of Alternative & Complementary Medicine, Journal of Asian Natural Products Research, Journal of the Australian Traditional-Medicine Society, Journal of the Canadian Chiropractic Association* and many others. *Alt HealthWatch* provides in-depth coverage across the full spectrum of subject areas covered by complementary and alternative medicine. Subject coverage includes:

Acupuncture, Aromatherapy, Body Work, Childbirth, Chinese Medicine, Chiropractic, Creative Therapies Cross-Cultural Therapies, Energy Medicine, Herbalism, Homeopathy, Mind-Body Medicine, Naturopathy Nutrition, Osteopathy, Nutrition

Health Source®: Consumer Edition

This is the richest collection of consumer health information available to libraries worldwide. This resource provides access to nearly 300 full text, consumer health periodicals, including *American Fitness, Better Nutrition, Fit Pregnancy, Harvard Health Letter, HealthFacts, Men's Health, Muscle & Fitness, Prevention, Vegetarian Times*, and many others. This database also includes searchable full text for more than 1,000 health-related pamphlets and 129 health reference books, including books published by the People's Medical Society. Additionally, *Health Source: Consumer Edition* contains more than 4,500 Clinical Reference Systems reports (in English and Spanish); *Clinical Pharmacology*, which provides access to 1,100 drug monograph entries and 2,700 patient education fact sheets; and *Merriam-Webster's Medical Desk Dictionary*. *Health Source®: Consumer Edition* covers topics such as AIDS, cancer, diabetes, drugs & alcohol, aging, fitness, nutrition & dietetics, children's health, women's health, etc.

Newspaper Source(tm)

Newspaper Source(tm) provides selected full text for nearly 30 national (U.S.) and international newspapers, including *USA Today, The Christian Science Monitor, The Washington Post, The Times* (London), *The Toronto Star*, etc. The database also contains selected full text for more than 200 regional (U.S.) newspapers, including *The Boston Globe, The Chicago Tribune, The Detroit Free Press, The Miami Herald, The New York Daily News, The San Jose Mercury News*, etc. In addition, full text television & radio news transcripts are provided from *CBS News, FOX News, NPR*, etc. Content includes:
Full Text Regional U.S. Newspapers, Full Text International Newspapers , Full Text News Wires and Newspaper Columns, TV and Radio News Transcripts

Medical Library News
April - June 2006

MAS Ultra - Public Library Edition
MAS Ultra - Public Library Edition provides full text for more than 350 periodicals covering general reference, health, science, and other areas. Examples of publications covered in *MAS Ultra - Public Library Edition* include: *Advertising Age, American Economist, American Family Physician, American Fitness, Black Enterprise, Business Week, Canadian Banker, Canadian Geographic, Christianity Today, Computerworld, Discover, Economist, Forbes, Foreign Affairs, Good Housekeeping, Guitar Player, Hispanic Times Magazine,* and many more.

EBSCOhost.Salud para Todos(tm)
This database is a full text consumer health database written entirely in Spanish. Designed specifically for those seeking information about health and medicine, the content includes all articles that appeared in the original Oryx Press print version of *Información de Salud para los Consumidores*, essays & articles from government and health agencies, articles from Nidus Publishing's *Well-Connected* series and articles from the *Clinical Reference Systems* collection. The articles are from over 300 publications and sources created by over 50 research associations and national institutes, with each article associated to one of 48 main categories including substance abuse, cancer, mental health, contraception, infectious diseases and many other key health areas. *Salud para Todos* helps biomedical libraries provide their Spanish-speaking researchers with comprehensive health information.

All Ebsco Databases can be found on the library page under Databases~

For FY 2006 schedule

Nursing News

This requirement applies to all NURSING STAFF, i.e., any RNs/MOS 66, LPNs/LVNs/91WM6 MOS, not considered providers. Nursing staff in non-clinical, administrative positions are exempt from this tasking. Applying for a National Provider Identifier (NPI) number is a mandatory task and should be accomplished immediately. The process takes only moments online or can be accomplished by completing and mailing a hard-copy application form.
Please retain a copy of these instructions and a copy of your completed application for possible future reference.
If you are nursing staff, any questions concerning the process should be directed to Chris Rankin, S2/S3-Education Assistant / Nursing Credentials, 526-7649, or via email to Christine.Rankin@amedd.army.mil.
